RESPONSE TO NOTICE REGARDING DRAWINGS

In response to the notice regarding drawings in the above referenced case, enclosed herewith is a new Figure 1. This Figure is believed to overcome all objections set forth on the PTO-948 that was attached to the notice regarding drawings.

Applicants also wish to note that the notice regarding drawings incorrectly states that corrected drawings were submitted on 5/30/2000, and are still not acceptable. In fact, 5/30/2000 is the filing date of the instant application, and the drawing submitted on that date was an original drawing. The PTO-948 mailed with the above referenced notice regarding drawings is the first notice applicants have received that the drawing was unacceptable. Accordingly, should any further problems be found with the drawing, please contact the undersigned, so that the problem can be corrected expeditiously.

In the event that any fee is due, the Commissioner is authorized to charge the fee to the account of the

undersigned attorneys, Deposit Account No. 04-1406.

Respectfully submitted,

DANN DORFMAN HERRELL and SKILLMAN, P.C.
